I just wanted to thank all the guys and gals who helped us retrieve our very naughty cows who thought it would be funny to break out and go for a wander down the track! 155 of the little monkeys was not easy to locate or get back we are still missing a few but they are safely in our neighbours yard until tomorrow! It's certainly made life a lot easier with all your help so thank you! I do think I was dirtier then most taking part in the ride tho!! Kindest regards from the farmers on Green Lane Ilington. Julie

Fantastic day- thank you to Graham for organising the event and all the marshals for standing out on the course to keep us safe and give us directions. The feed stations were a welcome sight and the feta and spinach quiche was to die for! The yoghurt topped fruit flapjacks were scrumptious too. Had a great day of climbing!! Loved the fact we were held up by a flock of sheep! Thanks for my spot prize too. Jackie
